

TOP SECRET

The Director of Central Intelligence

Washington, D.C. 20505

22 July 1983

MEMORANDUM FOR: Assistant to the President for  
National Security Affairs

SUBJECT: The Andropov Regime's Approach  
to Key US-Soviet Issues

I think this draft of an estimate on "The Andropov Regime's Approach to Key US-Soviet Issues" is very important. The impression from viewing the full range Soviet initiatives together strikes me as quite different from that which you get by considering different arenas at different times.

*Bill*  
William J. Casey
